SUBJECT : Data Request - DDO Positions
and Strength

1. The following data is requested to support an HRPS effort to review the DDO operational manpower requirements:

a. A count of all ceiling-count employees and positions in occupational series 90.01, 90.02, 136.01, 136.05, and 136.08. The information should be sorted by location in Headquarters, U.S. Field, and Foreign Field.

b. A count of all ceiling-count employees occupying positions in occupation series 90.01, 90.02, 136.01, 136.05, and 136.08 who do not carry one of these five occupation series. This information should be sorted by position occupation series, by employee occupation series.

c. A count of all ceiling-count employees with an occupation series of 90.01, 90.02, 136.01, 136.05, and 136.08 who are not assigned to a position with one of these five occupation series. This information should be sorted by employee occupation series, by position occupation series (or "other" if not assigned).

d. A count of all ceiling-count employees and positions assigned a "D" Career Service Designation. This information should be sorted by occupational code.
